

OEM Bed Liner

Truck Bed Coating

- Waterproof & Stain Resistant
- Easy Soap & Water Clean Up
- Prevents Chips & Scratches
- Permanently Flexible & Impact Resistant
- For Professional Use

Protect and preserve surfaces exposed to impact and abrasion

POR-15® OEM Bed Liner is formulated to provide professional results and performance in a DIY system. POR-15® OEM Bed Liner is a water-based, rubberized coating ideal for protecting truck beds, and all other metal, aluminum, fiberglass, and wood surfaces that are exposed to impact and scuff related environments. Formulated with POR-15® rust preventive technologies, POR-15® OEM Bed Liner offers superior adhesion, impact resistance, and flexibility, as well as an attractive, texturized semi-gloss black finish that provides the ultimate in truck bed protection. POR-15® OEM Bed Liner is UV stable and will resist damage typically caused by UV exposure. POR-15® OEM Bed Liner is a low-odor product that can be cleaned with soap and water and does not have a limiting pot life. Any unused product can be resealed in its container and used later for touch-up or on other projects. For the ultimate in protection apply over POR-15® Rust Preventive Coating.
